

The Guam Title V Maternal and Child Health (MCH) and Children with Special Health Care Needs (CSHCN) Program is administered as one integrated program within the Chief Public Health Office (CPHO), Division of Public Health, Department of Public Health and Social Services (DPHSS). The DPHSS is headed by the Director of Public Health and Social Services. The Director's position is a cabinet-level position within the Governor's Office. The MCH/CSHCN Program reports directly to the Chief Public Health Officer. The MCH/CSHCN Program is operated as a single organizational unit and serves as both the local and state agency. This single state agency is authorized to administer Title V funds and is responsible for both MCH and CSHCN services.

MATERNAL & CHILD HEALTH (MCH) MEASURES

Title V - MCH National Performance Measures	State 2004 Results	State 2009 Goal
The percent of newborns who are screened and confirmed with condition(s) mandated by their State-sponsored newborn screening programs (e.g. phenylketonuria and hemoglobinopathies) who receive appropriate follow up as defined by their State.	75.1%	100%
